Mission to Egypt, February- March 12

A needs assessment mission was conducted to Egypt Central Agency for Public Mobilization and Statistics (CAPMAS) on 27 February till 01st March 2012. Eleven national officials from the CAPMAS, Ministry of Petroleum, Ministry of Electricity and the Regional Center for Renewable Energy and Energy Efficiency (RCREEE) were present along with ESCWA's consultant and representative from the organization. The purpose was to gather information about the different national parties involved in the production of energy data and assess the current situation, in order to plan for future activities that target the improvement of the energy statistics system in Egypt. The mission was part of the activities undergone within the Development Account Project on Strengthening Statistical Capacities of ESCWA member countries in Energy Statistics and Energy Balance.
