The Committee will review the status of financing sustainable development in the Arab region through the following documents, all presenting different pillars of the Arab Financing for Development Scorecard. The Scorecard was adopted by member States at the twelfth session of the Committee on Liberalization of Foreign Trade, Economic Globalization and Financing for Development, held in Beirut on 4 and 5 December 2017, as a tool to track, monitor and evaluate the performance of the Arab region in financing the Sustainable Development Goals. The documents submitted to the Committee on the present agenda item are the following:

1. The state of financing sustainable development in the Arab region: top-line scorecard findings (E/ESCWA/C.9/2023/5(Part I)).
2. Domestic public resources (E/ESCWA/C.9/2023/5(Part II)).
3. Foreign direct investment (E/ESCWA/C.9/2023/5(Part III)).
4. International private finance: remittances (E/ESCWA/C.9/2023/5(Part IV)).
5. International development cooperation (E/ESCWA/C.9/2023/5(Part V)).

The Committee is invited to review and discuss the findings presented in the above-mentioned five documents.
