What commitments will you bring to the UN 2023 Water Conference?

- Conclude a transboundary agreement
- Set up a basin organization for a shared river or aquifer
- Accede to global UN water conventions
- Coordinate your SDG 6.5.2 report with co-riparians
- Develop an assessment for your shared basin or aquifer
- Integrate water cooperation into high school & university curricula
- Improve data and information sharing
- Include youth and women in transboundary cooperation

Did you know?

153 countries share transboundary waters. Yet only 24 countries have all their transboundary waters covered by operational arrangements.

Your government can make a difference.

Submit your commitment on transboundary cooperation to the Water Action Agenda
