Survey results of the polling questions during the Inception Webinar on the SNA Update

Session 1 . Overview of the SNA update

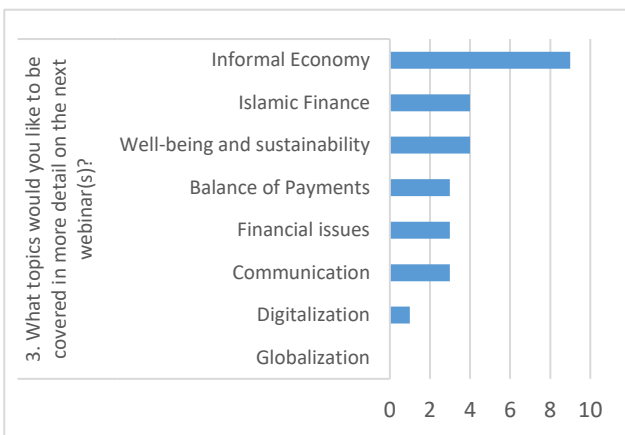

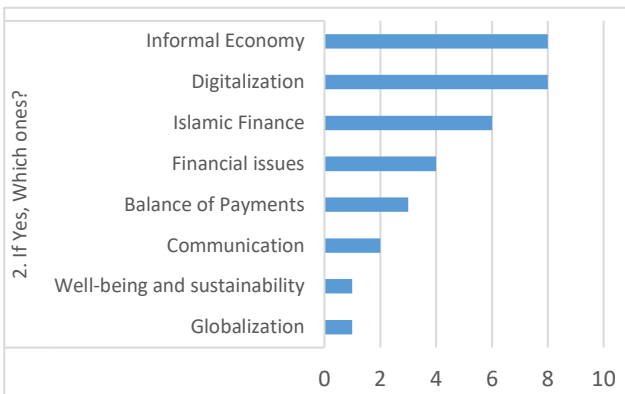

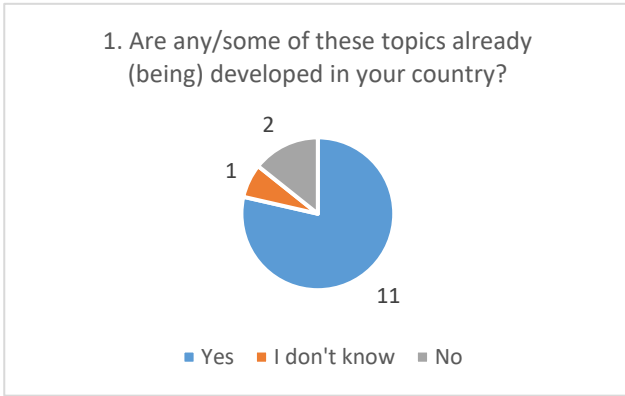

Q1.1. What would be the main priority or most relevant issues for your country?

Q1.2. Do you plan to participate in the global consultation?

Q1.3. Which of the following support we can do to encourage you to participate:

Session 2 Are any/some of these topics already (being) developed in your country?
 If Yes, Which ones?
 What topics would you like to be covered in more detail on the next webinar(s)?

Session 3 Do you have development plans that may be used to include some of the new issues to be implemented?

Would you consider volunteering to be part of the early implementation of some GNs recommendations as experimental estimates?

If yes, check which ones

Would your authorities support those developments
