Competition Policy and Legislation

First draft in 2003.

• Competition draft law review in 2010.

• The draft law has been submitted to the Ministerial council with suggestion to create an enforcement body in 2013.

• Ministerial council has adopted a general directorate within the ministry of Economy.
Competition Policy and Legislation

• The G.D. OF competition has engaged in the UNCTAD MENA program for competition and consumer protection from 2015 -2018.

• A national committee for review and amend the compaction draft law has been formed by minister of economy in 2016.

• CLDP has supported the national committee in review and commentary on the draft law in 2017.
Competition Policy and Legislation

• The national committee finished the last version in the beginning of 2019.
• Minister of National Economy submitted the draft law to the ministerial council in 2019.
• The draft law is passing the second reading now, and submitted to the third reading now.
Challenges confronting in the Corona time.

• Some of trades used the crises for their personal benefit by raising prices and monopolizing markets.
• Quarantine has affected the economy and the daily life of people.
• Ministry of economy created a new hot lines to receive complaints by consumers.
• The Govt. has created special fund to compensate the affected workers and traders by closure.
Challenges confronting in the Corona time.

- Net international investment balance in Palestine decreased by 16% in 2020.
- Customer deposits in Palestine increased by 8.9% in 2020.
- IMF expect a decline in global GDP by 4.9% in 2020.
