

289 (XXV). Supporting the comprehensive development efforts of Yemen

The Economic and Social Commission for Western Asia,

Appreciative of the comprehensive and sustainable development efforts of Yemen,

Noting with satisfaction the tangible progress that has been made in entrenching economic and financial reform measures in the face of limited resources and the status of Yemen as a least developed country;

1. *Comments* the comprehensive development efforts exerted by the Government of Yemen that are aimed at eradicating poverty and meeting economic and social needs with the extensive involvement of civil society and the professional, academic and political social sectors;

2. *Recommends* that the Commission should provide more support of all types to Yemen with a view to achieving the activities and efforts that are undertaken as part of comprehensive development and national efforts to realize the Millennium Development Goals;

3. *Requests* the Executive Secretary to follow-up on the implementation of this resolution and submit a report to the Commission at its twenty-sixth session.
