

ECONOMIC AND SOCIAL COMMISSION FOR WESTERN ASIA (ESCWA)

**GUIDELINE ON FOSTERING INNOVATION IN
THE PUBLIC SECTOR OF THE ARAB REGION**

UNITED NATIONS
Beirut

ACKNOWLEDGEMENTS

This document was prepared by Mr Dimitris Gouscos, Assistant Professor at the National and Kapodistrian University of Athens, Greece and a consultant in knowledge economy and science, technology and innovation (STI) for sustainable development. This report is prepared in the Technology for Development Division, under the guidance and supervision of Ms Nibal Idlebi, the Chief of Innovation Section. Ms. Lize Denner (Innovation Section, ESCWA), contributed to the design of the research approach and reviewed the document.

Disclaimers

1. This document has been reproduced without formal editing.
2. Mention of firm names and commercial products does not imply the endorsement of ESCWA or the United Nations.

Contents

<i>Chapters</i>	<i>Pages</i>
I. INTRODUCTION	5
A. Objectives of the study	5
B. Scope and approach of the study	5
C. Strategy for implementation of the study	6
D. Additional methodology provisions for implementing the study	6
II. INNOVATION PROCESS EMPIRICAL GUIDE (IPEG) TO INNOVATION PROCESS TYPES AND ASSOCIATED EXAMPLES	8
A. Purpose and Objective of the IPEG guide	8
B. Bottom-Up Innovation	9
C. Collaborative Innovation	12
D. Continuous Innovation	13
E. Disruptive Innovation	14
F. Frugal Innovation	15
G. Incremental Innovation	17
H. Local Innovation	20
I. Open Innovation	21
J. Sustainable Innovation	23
K. Concluding notes: an 8x8 queens matrix of public sector innovation examples	24
III. THE IDEA LIFECYCLE FOR PUBLIC SECTOR INNOVATION	26
A. Introductory notes	26
B. Overall Structure of the IDEA Lifecycle	26
C. IDEA Lifecycle: Ideation Phase	27
D. IDEA Lifecycle: Deliberation Phase	29
E. IDEA Lifecycle: Evolution Phase	31
F. IDEA Lifecycle: Assimilation Phase	34
G. Concluding notes	36
IV. EMPIRICAL WIZARD TOOL FOR THE IDENTIFICATION OF PREFERRED INNOVATION PROCESS TYPES	37
A. Introductory notes	37
B. Notes on using and implementing the EIP wizard	37
C. EIPwiz template One: important things	39
D. EIPwiz template Two: things difficult to achieve	39
E. EIPwiz template Three: things that may happen	40
F. EIPwiz template Four: things important to achieve	41
G. EIPwiz template Five: algebraic sums of fit points	42
V. I-unLoC: A LIST OF CHALLENGES FOR PUBLIC SECTOR INNOVATION	43
A. Introductory notes	43
B. Core Theme A. Challenges related to the 5W's of innovation	44
C. Core Theme B. Challenges related to the 1H of innovation	51
D. Core Theme C. Challenges related to bringing in more stakeholders	56
VI. RECOMMENDATIONS	61
A. Introductory notes	61
B. Keeping the public sectors of ESCWA member countries together	61
C. Joint work on Public Sector Innovation	61
D. Monitoring examples and perceptions	61

E.	Consultation and training on methodological instruments	61
F.	Catalogues and methodology for knowledge and tool resources	62
G.	Interactive training by examples	62
H.	A focus on bringing in more stakeholders	62
I.	A special focus on bringing in women	62
J.	Focusing further work on specific challenges	62
K.	Challenge-specific studies, workshops, awards and hackathons.....	62
Annex 1. Questionnaire on examples of public sector innovation efforts in the Arab Region		64
Annex 2. Detailed information and references related to the provided examples in the report		69
Annex 3. Additional examples on various models of innovation		78
Annex 4. Further reading on models of innovation.....		86
<i>Bibliography</i>		88

LIST OF TABLES

Table 1.	Rationale, critical success factors, risks and promises of bottom-up innovation	9
Table 2.	Rationale, critical success factors, risks and promises of collaborative innovation	12
Table 3.	Rationale, critical success factors, risks and promises of continuous innovation.	13
Table 4.	Rationale, critical success factors, risks and promises of disruptive innovation.....	14
Table 5.	Rationale, critical success factors, risks and promises of frugal innovation efforts.....	16
Table 6.	Rationale, critical success factors, risks and promises of incremental innovation	17
Table 7.	Rationale, critical success factors, risks and promises of local innovation	20
Table 8.	Rationale, critical success factors, risks and promises of open innovation	21
Table 9.	Rationale, critical success factors, risks and promises of sustainable innovation efforts.....	23
Table 10.	An 8x8 queen’s matrix of examples for public sector innovation.....	25
Table 11.	EIPwiz template 1 rating table	39
