Resolution adopted by the General Assembly

[on the report of the Second Committee (A/64/420/Add.1)]

The General Assembly,

Emphasizing that water is critical for sustainable development, including environmental integrity and the eradication of poverty and hunger, and is indispensable for human health and well-being,

Recalling the provisions of Agenda 21,1 the Programme for the Further Implementation of Agenda 21 adopted at its nineteenth special session,2 the Plan of Implementation of the World Summit on Sustainable Development (“Johannesburg Plan of Implementation”)3 and the decisions of the Economic and Social Council and of the Commission on Sustainable Development at its sixth session4 relating to freshwater,

Reaffirming the internationally agreed development goals on water and sanitation, including those contained in the United Nations Millennium Declaration,5 and determined to achieve the goal to halve, by 2015, the proportion of people who are unable to reach or to afford safe drinking water, and the goals set out in the
